

Our Services

Our Mission

Periplus Consulting is a private enterprise (Limited Liability Company: L.L.C./GmbH). Its main goal is to promote and facilitate cooperation, development and exchange in culture, education and professional training between the PR China and Switzerland. *Periplus Consulting* organizes educational and cultural visits and short professional training units in both countries. It offers advice and helps in establishing links between individuals, institutions and professional groups who have common interests and objectives.

Our Offers

Our offers, activities and services are project-orientated. The total project costs (*Periplus Consulting's* fees and overheads, planning, realization, travel expenses) will be calculated for each project individually on the basis of a preliminary budget and fully charged to the participating body

(person, group, school, organization, institution).
